DETAILED ACTION

This communication is in response to Order Returning Undocketed Appeal to Examiner due to the IDS filed on August 29, 2005 that had not been considered. The Final Action in this case was mailed on November 14, 2003. A Notice of Appeal was filed on May 12, 2004.

Appellant's appeal brief was filed on October 8, 2004. The Examiner's Answer was subsequently filed on January 4, 2005. Appellant's Reply Brief was filed on February 8, 2005. The Reply Brief was noted and acknowledged by the Examiner on April 20, 2005 and the case forward to the Board. Subsequently, over four months later on August 29, 2005 Appellant filed an IDS.

The information disclosure statement filed on August 29, 2005 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because it does not comply with 37 C.F.R. 1.97(e). In order for the examiner to consider the IDS submitted after a Final Action, applicant is required to a) include all certification requirements for statements under 37 CFR 1.97(e) and b) pay the required fee. Although Applicant has paid the requisite fee, Applicant's submission under 37 CFR 1.97(d) fails to comply with the requirements.

Therefore, the IDS has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a).
